

A 9-month program designed to recruit and develop leaders for public influence and decision making in Racine County.

Leadership RACINE

BUILDING COMMUNITY TRUSTEESHIP THROUGH THE DEVELOPMENT OF STRONG, DIVERSE AND KNOWLEDGEABLE LEADERS.

Strengthen Leadership Skills

The Program

A balanced combination of monthly program sessions and a team project.

- Starting in September with a two-day retreat focusing on team building
- Followed by eight monthly sessions focusing on the significant challenges our community faces to help build community awareness as well as highlighting leadership skills
- The final session in May includes an evening graduation ceremony and dinner

Foster Community Service

The Project

Each participant is assigned a team to work on a project for a local nonprofit. Time devoted to the projects are outside of the regular curriculum and varies according to the project scope.

- Hands-on experience of servant leadership, team work and collaboration
- Opportunity to make a difference in the community
- Greater exposure to local nonprofit organizations on a deeper level

Develop Community Trusteeship
