

e-vergent

10% Discount On All Internet & Voice Services To RAMAC Members

How effective are your company's communication platforms?

Purpose

RAMAC and e-vergent are teaming up to provide a program that helps Racine area businesses assess their communication services (for FREE) and determine where improvements can be made. The main objective of this program is to **give Racine area businesses a competitive edge** by informing them of available **state-of-the-art internet and voice options**.

Program Partners

RAMAC is Racine's Business Champion representing the common interests of every organization in Racine - small and large. They offer a variety of pro-business and community programs aiming to improve the business climate and vitality of the greater Racine area.

e-vergent is a long time member of RAMAC that has benefitted from the incredible services and events they offer. e-vergent uses modern networking tools and approaches to provide Racine area businesses with custom, cost-effective internet and voice solutions that are reliable and grow with an ever changing world.

If interested in your **FREE Review & Cost Analysis**, call **888.782.1454** to schedule an appointment.
